Islip, NY – Islip Town Supervisor Phil Nolan (center) joined Department of Human Services Commissioner Betty Lorenz (right) and staff at Town Hall West to oversee the Holiday Toy Drive.

Due to the current economic condition, many families were unable to afford toys during this holiday season. These families turned to the Town of Islip for help, and the Department of Human Services organized a two-week emergency toy drive. The community and Town employees responded generously, resulting in the collection of hundreds of toys, which were donated to the Salvation Army for distribution to families in need.
